Description

The flash memory card slot featured on this Canon EOS Digital Rebel XT / 350D digital camera makes it easy for you to select the size of storage in the camera. This Canon EOS digital SLR camera comes with rechargeable Lithium-ion batteries allowing you to be prepared to take photographs. With its 8 megapixel sensor, the Canon EOS 8 MP camera is perfect for making brilliant prints, and it allows you to deliver 8x11 inch prints of the moments of your life in realistic clarity.

A greater number of megapixels means you can enlarge and crop your photos without having a detrimental affect on your picture's quality. High-quality pictures and wonderful performance are yours with this Canon EOS Digital Rebel XT / 350D digital camera. In addition, the 1.8-inch LCD monitor included with this Canon EOS digital SLR camera makes it easy for you to compose memories with ease. Be the envy of your friends with the Canon EOS 8 MP camera and its stylish silver body. This Canon EOS Digital Rebel XT / 350D digital camera comes with only the body and no lens.

Picking the best interchangeable lens or lenses based on your expanding photography needs and budget is one advantage to purchasing the camera body separately.
